

THE WHITE HOUSE  
WASHINGTON

*Thank you for taking the time to share your views, and for your thoughtful gift. Each day, I hear from Americans about the issues facing our country, and I appreciate hearing from you.*

*My Administration is working to address the new and complex challenges of our time. By out-innovating, out-educating, and out-building the rest of the world, we can win the future for the next generation of Americans.*

*Thank you again for writing and for your kind gift.*

Sincerely,
